MCASC RCM REPORT

Region was held in Tom's River last month, May. Before region started, a workshop was held of the USSC proposal. Jimmy K. presented a seemingly unbiased well developed presentation that was well received. Many in the audience were from Pennsylvania and New York. Maybe three RCM's from New Jersey were there for the entire workshop. A world board member and a member of the committee to develop the proposed new NA service system were in attendance.

- Assistant Policy Chair- CT 2 years, term 1 year was filled by Middlesex Area member.
- Assistant Secretary-CT 1 year, term 1 year
- History & Archives-CT 3 years, term 1 year
- Website Chair-CT 3 years, term 1 year
- Sanity Newsletter Chair-CT 3 years, term 1 year

A couple positions were filled at Region and each position states that the service position requires the person to attend the Region in its entirety.

All the Middlesex Area fliers were copied and made available, passed out. Posters were given to us and all areas for PI poster days. Mickey was instrumental in this happening for the Region.

Seven Basic Text were donated to each of the 26 Regions along the East Coast. Region did not figure out what to do with the books.

Two motions of significance were passed; 900.00 for basic text books to be given to all judges and contacts for H&I and a motion to have the RD bring a proposal to Northeast Zonal Forum for subcommittees - H&I, PI - formation at that level of service. Our Regional Delegate was not in attendance.

In loving service Lane B.
